

Namaz-e-Wahshat

It is Mustahab that on the day of the burial on this night between Maghrib and Isha one should recite two rakats prayer. This is known as Namaz-e-Wahshat because for the dead person the most horrifying and difficult is the first night.

In the first rakat after Surah Hamd recite Ayatul Kursi and in the second rakat after Surah Hamd recite Suarah Qadr 10 times and after the prayer say:

Allaahumma sale a'laa Muhammadinw wa aale Muhammadinw wab a'tha thawaabaha ilaa qabre dhaalikal mayyite falaan bin falaan. Instead of falaan bin falaan mention the name of the deceased person.
