**For the period 13<sup>th</sup> – 15<sup>th</sup> March 2020**  
**Novel coronavirus (COVID-19) - Community Update**  
**Imam Hasan Centre will continue to remain OPEN**

Salaam Alayakum,

In line with the announcement by the Prime Minister of Australia earlier this afternoon – **Imam Hasan Centre will continue to remain OPEN and serve the community**, however we will continue to monitor the situation and will be releasing updates regularly.

We assure you that we have had considerable discussions and with the safety of our community most paramount, the decisions we are making are not made lightly and ask you for your prayers to ensure we are guided to make the best decisions possible.

**RESTIRCTION - UPGRADE OF RESTRICTIONS ON ENTRY – TRAVEL**

Imam Hasan Centre requests anyone including their families who have traveled anywhere overseas to **self-quarantine** and please **DO NOT ATTEND** programs at Imam Hasan Centre for a period of 2 weeks.

**We reserve the right to restrict entrance to anyone who may jeopardise the health of the community.**

## **CAUTION – ELDERLY AND EXISTING CONDITIONS**

**With utmost respects we ask our elderly members and those having any existing medical conditions including respiratory or other – to be careful and request you to reconsider your attendance as unfortunately this is the group that is most affected by the VIRUS.**

### **Summary of Recommended hygiene measures**

Close family members of travelers should also follow these precautions.

Recommended hygiene measures to reduce the risk of spreading respiratory infections should be followed including:

- Handwashing with soap and water or anti-bacterial hand sanitisers
- Avoid close contact with community members by avoiding shaking hands and hugging
- Avoid contact with anyone who has a fever and cough
- If you have a fever or cough, seek medical advice and share travel history with the medical practitioner

The purpose of this message is not to create fear and panic, but to ensure we take measures to minimize risks and stay healthy.

## **IT IS YOUR DUTY TO CARE FOR THE COMMUNITY**

It is your duty to follow the rules above and to protect the community from illness. If you or your family are in any risk do not enter the building until you have cleared all advised requirements by the  
**NSW Health Department.**
